

for kids!
San Mateo – Foster City Education Foundation

Business Partner

For kids! (San Mateo-Foster City Education Foundation) is the only district-wide fundraising effort that impacts children in all our K-8 schools by raising money for essential programs inadequately funded by the state of California.

In our close-knit community, quality education is everyone’s business. As a local business professional, you know how important good public schools are to the value of our community. Excellent schools promote a healthy business climate, and play a vital role in drawing families to our area. Your tax-deductible contribution will demonstrate to the residents of San Mateo and Foster City your role as a community leader because of the value you place on the education of our children.

Yes, I want to be a Business Partner and support for kids!
